

## **Message: Great Destruction**

**Texts: Psalm 118 verse 10-12**

**Bible Reading: 1 Kings 20 verses 1- 30**

There are destructions and there are destructions. There is a type of destruction called the great destruction, what this means is that a great destruction brings great calamity.

What do we mean by great destruction?

- It means for your enemies to be defeated in their tens of thousands
- It also means God handing over your enemies to you
- It also means God bringing down your enemies before their very eyes
- It means total victory over the enemies

In Psalm 118 verse 10- 12 the Bible says all Nations compassed me about but in the name of the Lord will I destroy them, they compassed me about, yea they compassed me about but in the name of the Lord I will destroy them, they compassed me about like bees; they are quenched as the fire of thorns, for in the name of the Lord I will destroy them.

The Bible says all Nations, meaning numerous, but they shall be destroyed, God can use anything and everything to cause great destructions to take place

- He can use water as in the case of Noah and Moses
- He can use fire
- He can use the ground as in Numbers 16
- He can use storms
- He can also use sun, moon
- Sword
- Terrifying noise
- Accident
- Day and night
- Rain of sulphurs
- The stones, walls etc. as in 1 Kings 20 verse 1- 30 and in verse 30 a wall killed 27,000 soldiers

I'm praying for someone here today, that the Lord shall rain great destruction upon your enemies in the name of Jesus

When there is great destruction

- There is great massive loss of lives and prosperity
- There is great cry
- There is massive shedding of blood
- There is great distortion of plans
- Calamity

For God to cause great destruction in the camp of your enemy, you must be on the side of the Lord, live a life of obedience, holiness, disciplined and prayerful life
