

Message: The mystery of the night and the morning

Texts: Psalm 30 verse 5

Bible Passage: Job 22 verse 1- 10

Psalm 30 verse 5 says for his anger endureth but a moment; in his favour is life; weeping may endure for a night, but joy cometh in the morning. This verse explained two important entities namely the night and the morning, and associate weeping with the night and joy with the morning, what then is the night and the morning?

In Job 1 verse 1, the Bible described job as a man in the land of Uz whose name was Job and that man was perfect and upright and one that feared God and eschewed evil. The Bible gave a wonderful attributes to Job but when the night came upon Job, his friend Eliphaz began saying things contrary to what God said in chapter 1 about Job. What then are the hidden mystery about the night?

Note: this is factual, that every man born of a woman will at one stage in life pass through the night

- A time of terrible troubles
- A time of loss of properties, jobs at times loved ones
- Dark hour of the night
- Time of trial of your faith
- A time of tribulation
- Time when you will be disserted by all
- Time when dark powers are in control
- Time when God exposes the intent of the hearts of those that surround you.

During the night some will turn to evil spirits and demons for help, some will turn to friends, some will isolate themselves, some will make everyone their enemies, some will look unto their careers and qualifications while only few will look unto Jesus as the author and finisher of their faith.

When you turn to Jesus, your darkness will give way as said in John 1 verse 5 and the light shineth in darkness and the darkness comprehended it not, darkness cannot stand JESUS, your problems cannot withstand the power of God, the power of your enemies will melt when Jesus appears in your darkness, so when Jesus is in control, your morning set in, the morning is a time of

- Jubilation and celebration
- Clarity
- Joy and dancing
- Restoration
- Deliverance
- Flourishing like the palm tree
- Grace
- Favour above others
- Total recovery

Are you passing through your night, turn nowhere, look unto Jesus like the woman with the issue of blood in Mark 5, beloved I'm encouraging you, not to keep wasting your time and money seeking for solutions from idols or any man, Jesus is the only solution, come to him, call upon him and he will answer and turn your morning to dancing.
