

**Message: Divine overtake**

**Text: 1 Chronicles 4 verses 9- 10, Genesis 42 verse 6 and Genesis 37 verses 5- 11**

**Bible Passage: Genesis 42 verses 1- end**

In 1 Chronicles 4 verses 9- 10, the Bible says that and Jabez was more honourable than his brethren; and his mother called his name Jabez, saying, because I bare him with sorrow and Jabez called on the God of Israel saying, Oh that thou wouldest bless me indeed and enlarge my coast and that thine hand might be with me and that thou wouldest keep me from evil that it may not grieve me, and God granted him that which he requested.

We are looking at a very interesting word of the Lord which to some is practically impossible to achieve in this present day, but the Bible tells me that with God all things are possible as seen in Matthew 19 verse 26 and the message is titled Divine overtake.

For everyone who is leading, they have the mind-set of preventing others from catching up with them, some in this present age will even go to any extent to stop others from rising, while some will hand over the baton to their children. But in the case of Joseph the story was different, what they thought could not be possible, not only did God did it but all those that said let us see what will come of his dream witnessed the divine acceleration

**Divine overtake**

- God's way of increase
- God's way of moving people forward
- God's way of increasing you far above your enemies
- God's way of enlarging your coast
- God's way of establishing you far above human comprehension
- God's way of changing your story from nothing to something
- God's way of putting laughter in your face to the shame of weeping
- God's way of honouring you in the presence of your enemies
- God's way of making you a blessings not only to your immediate family but to generations unborn
- God's way of making you great in the mist of challenges and opposition
- God's way of prospering the work of your hands above those of your enemies
- God's power to enable you do better than those before you

God's thoughts and ways are not the same with man's way as seen in Isaiah 55 verse 8, his ways are far above what man could comprehend. His ways are mysterious, his ways are too deep for the understanding of the natural man

**That is why I want you to pray like this**

- Father Lord let your ways override my ways in the name of Jesus
- Lord make your decision now over my destiny and use it to shame my enemies in the name of Jesus
- All those that are saying it is over for my life, shall witness my divine acceleration in the name of Jesus
- The Lord who catapult Joseph from the pit to the palace shall transfer you from sorrow to glory in the name of Jesus

Boy Joseph had a dream and his brethren hated him and sold him saying let us see what will come out of his dreams as a slave, but the Lord brought them all down to Egypt to witness that awesome

power of the Lord upon Joseph whom the Lord had made not only to be alive but overtaking his brethren that none could not match up with his achievement.

When there is divine overtake

- You achieve in weeks what took others 10 years to achieve
- It means your greatness will surpass those of others
- It means all things will work together for good for you only
- It means for your land to bear fruits when there is no rain in the land
- It means for you to be highly recognised far above others
- It means for you to be seated among rulers and kings

For you to encounter the power of Divine overtake, you must be like Joseph

- Stay with God, trust in him that he will surely come to your rescue
- Endure hardship
- Believe that all is well
- Do not compromise with Potiphar's wife
- Be diligent in your works
- Be focussed
- Be hardworking with your gift
- Be prayerful
