

Message: The Ignorant Prince

Text: Ecclesiastes 10 verse 6-7

Bible Reading: 1 Kings 1 verses 50- end and Chapter 2 verses 13- 25

The prince is the one next to the throne but if the prince is ignorant of his entitlement someone will take it over and the prince will be relegated to the floor. In Ecclesiastes 10 verse 6-7, the Bible says folly is set in great dignity and the rich sit in low place. I have seen servants upon horses and princes walking as servant upon the earth.

Hear the statements of facts

- Inability to recognise yourself and worth will lead to others operating in your place
- Inability to take what rightly belong to you will lead to relegation
- Frustration is at the door when you are operating below your destiny

To everyman there is a horse assigned to him, what then is the horse?

- God's purpose for a life
- Your divine throne or authority
- Your assignment
- Your talent
- Your glory

To everyman also, there are those who are waiting to use your unused destiny, so you cannot afford to be underutilised.

In Ecclesiastes 10 verse 7, the Bible talked about the slave on the horse while the prince is walking on the earth, horses are meant for the prince, horses are meant for the royal house, but when the royal house are not using the horse, the slaves will ride. This will lead us to our teaching which is THE IGNORANT PRINCE

To be ignorant is:-

- Lack understanding
- Careless with your authority
- To be comfortable with others doing what you are destined to do
- To be doing what is below your heavenly allocation
- To keep quite when to talk
- To be unaware of your worth
- Joking with wrong situations rather than addressing it

Adonijah was parading himself as king when the Lord has not chosen him, the mother of Solomon did not keep quiet, she did all she could do for the throne to come to the right person but the most interesting thing after the state pardon, Adonijah made a request that caused him his life..

I'm praying for you that all those riding the horse of your life shall die in the order of Adonijah in the name of Jesus

I'm praying again that those planning to sit on your throne shall die by the sword

What must we do?

- Recognise that you are a chosen generations 1 Peter 2 verse 9, you are destined to rule, lead, shine and not the other way round
- Fight for your destiny and pull down all those using the horse of your life
- Recover your horse back from the spiritual slaves
- Never give up, fight till you sit on the horse
- Kill those plotting to dethrone you like Adonijah
