

Message: Understanding the power of the enemies

Text: John 10 verse 10 and Luke 10 verse 19

Bible Reading: Judges 7verses 1- end and Revelation 12 verse 7- 9

It will be wrong for anyone living under the heavens to believe that the enemies does not have power, we should understand that there are physical and spiritual enemies with power to destroy and to waste. In John 10 verse 10, the Bible says the thief cometh not but to steal, and to kill and to destroy; I am come that they might have life and that they might have it more abundantly. The enemies can come in different or manifest in diverse form, below are some of the ways by which they can come:-

The enemies can come like a flood
They can come like a thief
They can also come like a serpent
They can also come like a storm
They can come like infirmities
Some enemies can come like pestilence
Some can come like locust
Some like caterpillar
Some like cancer worm
Some can appear like a snare
Some like a trap
Some like Balaam
Some like Witch doctors
Some can come like familiar spirit
Some can come like a scorpion
Some can come like Delilah

I want you to understand that the enemies can come in diverse forms and ways just to achieve their purpose which is to steal, kill and destroy. Your inability to discern the diverse form is an invitation to sudden capture and destruction.

If the enemies are powerless, there wouldn't be the need for God to give us power against the power of the enemies, so don't deceive yourself, the enemies have power and in some cases can kill if their victims are completely ignorant

This are the few examples of the signs that the power of the enemies are at work, must we continue allowing the enemies to prevail and destroy us or stop them totally. Stopping the enemies is not as easy as thought, they have controlled your life for many years, so taking them off need strong, aggressive and violent power more powerful than the power of the enemies.

The power that can destroy them is the power of God and for the power of God to work for you must be on God's side.

The Medianites were destroying the harvest of the Israelites until when God sent them Gideon. The Lord will send you power from above to destroy the power of the enemies in the name of Jesus.

Secondly you must repent of known and unknown sins that are fuelling the weapons of the enemies, also you must be prepared to fight dangerously and mercilessly. The following prayers if prayed aggressively with reference to the above scriptures will permanently deliver you from the power of your enemies in the name of Jesus.
